SUPERINTENDENT

MR. DOMINICK FRIGO

Class of 1987

Hopefully, you can look back on your high school years as an exciting and rewarding experience. And you can honestly say, "I made a difference!" We do make a difference, each and every one of us. If we believe this, then we won't try to be interesting; we will be interested. We won't want to be entertained; we will be entertaining. We won't wait to be loved; we will be lovable. We won't ask to be helped; we will be helpful. That will make all the difference. Just imagine a world filled with people who know that what they do will make a difference, and strive consciously to make that difference a positive good for everyone. That world is a reality within our grasp. Remember, you are important and what you do does make a difference, and that difference is you. Congratulations and best wishes to each of you. May the future be yours.

AL SORENSON 6'7" CENTER SENIOR

Al is one of our team leaders by example. He works hard and has a strong desire to improve. He was selected to the all-tourney team at the Hinsdale Central's Thanksgiving Tournament. Al is the leading scorer with 17 points per game average, and also leading the team in rebounding.

KEN WALTER 6'2" FORWARD JUNIOR

Ken has always been an excellent shooter, this year he became a pure shooter. He led the team in field goal and free-throw accuracy. Ken is unselfish, leading the team in assists. He has excellent timing on the boards being the 2nd best rebounder on the team.

STEVE RYNKAR 5'10" GUARD SENIOR

Steve with a sharp eye for the open man, plays a solid floor game at the point guard position. He understands the game well especially the responsibilities of his position. Steve would rather win than do anything else.

DAN JONES 6'1" GUARD SENIOR

Dan plays the off-guard position to utilize his scoring abilities. He's an aggressive defender, capable of rebounding.

CHRIS BURROW 6'4" FORWARD SENIOR

A busy student, Chris participates on the football and track teams. Chris plays his best game when he's in close to the basket. He's the Spartan's designated "Junk Man" rebounding his teammates missed shots and putting it back up in the basket.

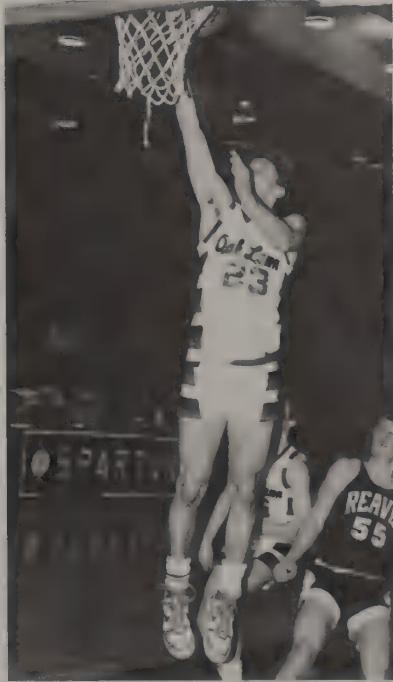

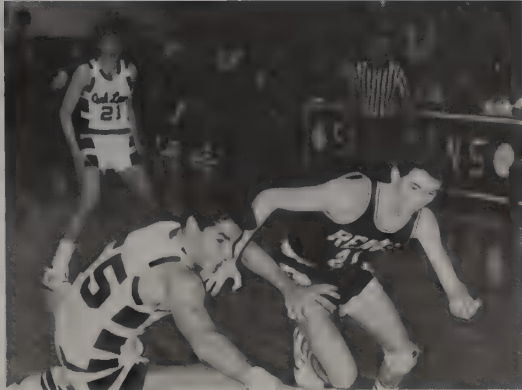

MARK NIENHUIS 6'1" FORWARD JUNIOR

He gets enjoyment out of seeing his teammates score. Mark is well known for his hustle and all out 100% play on the floor. He plays hard, he's alert and aggressive around the boards. He's the Best rebound on the team for his size. Yet he's humble, down-to-earth and a good student.
